Reporting Results

- Follow the instructions enclosed (available at www.cmpt.ca) and use only the forms specified for the corresponding challenge.
- When reporting results, please complete the report form where applicable. Report the result for each challenge as positive, negative, indeterminate or not tested. If indeterminate is reported, please describe the reason in the comment section of the report form.
- Please submit your report by the due date.

NEW: If you would like to fax your report to CMPT, the new *Clostridium difficile* report form is enclosed and additional copies can be printed from www.cmpt.ca. If you do not have access to the internet, you can obtain a copy by phoning 604-827-1754 or 1-866-579-CMPT (2678).

Results should be entered via the on-line data entry program, www.cmpt.ca (see enclosed instructions). If you do not have access to the internet, please **fax** your results to **604-827-1338 or 1-866-580-CMPT (2678)**.
